—... The Classes ...—

What do we expect from you?

· **Feedback and participation in class** ·

· **Be responsible with the material** ·

· **Have fun taking photos** ·

· **Respect photography** ·

—... About Photography ...—

Some Advises

- Doing something wrong will just make you learn new things .
Don't be afraid of failures.
- It's not important which kind of camera you have. The most important thing are the eyes and the mind that is behind.
- With practice and passion, you can become the photographer that you want to be.

About Photography

What is Photography?
